<我们的服务标准>

Tianjin Normal University (hereinafter, "TNU") is located in the beautiful city of Tianjin. Tianjin serves as one of the four municipalities directly under the central government of China, only 28 minutes away from Beijing by high-speed train. Tianjin is a modernized metropolis in the core area of China's major strategy of Beijing-Tianjin-Hebei synergetic development.

TNU possesses a profound history and is the inheritor of the century-old tradition of teachers' education in Tianjin. TNU campus covers an area of 3,500 acres, including 711 acres of lakes and wetlands, boasting unique charm and ecological environment. Beyond the vibrant cultural and natural atmosphere, the school also provides its fellow students and researchers with outstanding professional advantages in excellent teaching faculties, abundant education resources, and top-level facilities and equipment.

TNU has built partnerships with 190 research institutes and local governments from 35 countries and regions worldwide. Currently, TNU embraces a wide range of enrollment of over 32,000 students of all kinds, including international students from 45 different countries.

TNU has been admitting international students since 1964. As one of the universities in China to receive foreign students in the early stage, TNU is also one of the first batch of "Demonstration Bases for Foreign Students Studying in China" by the Ministry of Education (MOE). TNU now has built a 7,700 m² Center of International Chinese Education of Beijing-Tianjin-Hebei Region, along with the 16,000 m² International Chinese Language Teachers' Apartment.

We warmly welcome outstanding students and teachers from all over the world to study at TNU!
